## **Proposed Resolution: Make Minnesota a Sanctuary State**

### **Resolution on the Declaration of Sanctuary Cities throughout Minnesota And Declaration of Minnesota as a Sanctuary State**

*Presented to Precinct Caucuses in Minnesota, February 25, 2020*

#### **Whereas:**

President Donald Trump continues to demonize, detain and deport our immigrant neighbors on an unprecedented scale and this goes against our values;

#### **Whereas:**

President Trump cruelly ended Deferred Action for Childhood Arrivals (DACA), ended Temporary Protected Status (TPS) for Haitians, Salvadorans and others, pushed through and recently expanded his Muslim Ban to six more countries, has throttled and politicized refugee resettlement, and has all but ended people's legitimate right to pursue a claim of asylum;

#### **Whereas:**

The Trump administration alarmingly recently said they will start sending an elite tactical unit of Customs and Border Protection (CBP) officers into what they consider "sanctuary cities" against the wishes of those jurisdictions to attempt to detain and deport our immigrant neighbors in a move that will only serve to terrorize our communities;

#### **Be It Resolved:**

That the  [NAME OF PARTY]  urges cities and counties throughout Minnesota to adopt Sanctuary City policies and platforms to do everything they can to protect immigrant community members in their jurisdiction;

#### **Resolved:**

That the  [NAME OF PARTY]  urges the State Legislature and the Governor to declare Minnesota a Sanctuary State and implement policies to protect immigrant community members statewide, such as a 'drivers license for all' bill to ensure mobility access to immigrant Minnesotans and safe roads for all, and a statewide policy restricting law enforcement cooperation with ICE to protect our immigrant neighbors.

THIS RESOLUTION WAS:  ADOPTED  DEFEATED

**Resolution drafted by the Minnesota Immigrant Rights Action Committee (MIRAC)**
